> have just learned that a negro living near White Oak went into several places of business at that place a few days ago and succeeded in getting some money, about sixty dollars, together with several small articles of merchandise from some of the stores. He was accused of taking the things by several men, and acknowledged the larceny, but would not at first tell where they were, but afterwards said that if they would go to a certain house near by he would. He was taken to the house, but after getting there refused to disclose the whereabouts of the stolen goods. To compel him to confess, it was decided to give him a sound thrashing, which the crowd at once proceeded to administer, but the remedy adopted failed to bring the confession. It is a matter of regret that any unlawful steps were taken to bring about the desired results. Our courts of justice furnish ample punishment for such criminals, and in them ishment be administered.
